| Assumptions Used in Arriving at Fiscal Estimate <p>Although the rules will newly result in review of some documents relating to eligible activities and their priority, the associated workload is expected to be about the same as under the current administration of the Wisconsin Development Fund. Therefore, the proposed rules are not expected to have any significant fiscal effect on the Department.</p> <p>The proposed rules are not expected to impose any significant costs on the private sector because the rules address submittal of documentation, and other activities, only by applicants that choose to pursue grants or loans from the Wisconsin Development Fund.</p> | | | |
